

To help students reach their goals,
we're putting a little money on ice.

As a leading maker of computers for school, work and home, Packard Bell NEC is proud to support the **Packard Bell NEC/Utah Grizzlies Scholarship Fund**. For every goal the Grizzlies score this season, including playoff games, Packard Bell NEC will chip in \$25 to help outstanding Salt Lake youth, up to \$7,000. So join us in wishing the Grizzlies a high-scoring season, and our students can be winners, too.
